

Basic Needs Impact Council Framework

Proposals to be considered must address at least one (1) basic need and target population. Please check the basic need(s) and target population(s) that the proposed program will address. Check any preferred components that will be included in the proposed program. Preferred components are not mandatory, but will receive special consideration.

Basic Need	Target Population	Preferred Components
<input type="checkbox"/> Food WRC – Violence Shelter FSFF Salvation Army	 Children & Youth Individuals & Families Seniors & Persons with Disabilities	 Work collaboratively with a variety of organizations and businesses
