

## Seniors and Persons with Disabilities Framework

Proposals to be considered must address one (1) or more outcome, target population and program strategy. Please check the outcome(s), target population(s) and program strategies that the proposed program will address. Check any preferred components that will be included in the proposed program. Preferred components are not mandatory, but will receive special considerations.

Outcome	Target Population	Program Strategies	Preferred Components
<input type="checkbox"/> People are able to get transportation to meet their needs. <span style="color: red;">Among Friends</span>	<input type="checkbox"/> People 55 and older <input type="checkbox"/> People with disabilities <input checked="" type="checkbox"/>	<input checked="" type="checkbox"/> Mobility and/or transportation options <input type="checkbox"/> Mobility and/or transportation case management <input checked="" type="checkbox"/> Provide awareness of programs	<input checked="" type="checkbox"/> Fees based on sliding scale <input checked="" type="checkbox"/> No one denied service due to inability to pay <input type="checkbox"/> Extended hours for door to door transportation <input checked="" type="checkbox"/> Work collaboratively with a variety of organizations <input checked="" type="checkbox"/> Promote systems level work including public policy, advocacy and collaboration <input checked="" type="checkbox"/> Culturally diverse and economically accessible <input checked="" type="checkbox"/> Use of existing local facilities and resources
