

YOU + UNITED WAY!

How Does United Way of Norman Help?

United Way of Norman identifies needs in our community and finds solutions that improve lives. We fundraise on behalf of local nonprofits, so they can focus on what they do best: serving their communities. We also work to develop solutions that meet the needs of people in our community - from distributing free school supplies to offering free tax help to enhancing the quality of life for persons with disabilities.

Why United Way of Norman?

Trust - Dozens of volunteers review and evaluate the programs that receive funding from United Way of Norman. These organizations must be financially responsible and have a proven record of positive impact in our community.

Addressing Local Needs - Donations to United Way of Norman stay in our community. Local volunteers assess the needs of our neighbors to make sure the most critical needs are being met. Funding decisions are made by people who live and work in our community.

Amplify Your Impact - The programs United Way funds are experts at stretching the dollars they receive. When you add your donation to that of hundreds of others, the impact you have becomes exponential.

One Gift Impacts Many - With just one donation, your impact is spread to dozens of nonprofit organizations across our community. Help people of all ages, across all walks of life, with your gift to United Way of Norman. If you are passionate about one of our funded partners, you can designate your donation.

How Can I Help?

United Way of Norman makes it easy to make a difference! You can give today at unitedwaynorman.org/give or give us a call at **405.329.2025**. Our work would not be possible without the collective contribution of people like you. Your support matters! Join us as we continue to build a stronger community.
